Portfolio:- <https://portfolio-akshats-projects-4be747c8.vercel.app/>

Dedicated and proficient Web Developer with a proven track record of crafting innovative and user-friendly websites. Proficient in a variety of programming languages and frameworks, adept at translating client requirements into elegant, functional solutions. Passionate about staying updated with industry trends and delivering high-quality results within deadlines.

EDUCATION

Ahmedabad Institute of Technology (GTU), Ahmedabad

2020 - 2024

- Bachelor of Engineering(C.E) | CGPA – 7.40 / 10

PROJECTS

Temp-Mail – disposable mail service

- Led front-end development using ReactJS and CSS.
- Integrated React.js for modular components, improving website functionality.
- Implemented Express JS and Node JS to build a server and used MongoDB to store data.

E-commerce Website

- Developed and designed the front end using ReactJS, CSS, and JavaScript.
- Focused on responsive and user-friendly interface design.
- Demonstrated ability to develop clean, scalable code and improve web design functionality.
- <https://reacte-com-myshop.netlify.app/>
- <https://mystore-xyz.netlify.app/>

CERTIFICATIONS

Internship in React JS

- As a front-end developer intern, I gained practical experience in building responsive and visually appealing web interfaces using HTML, CSS, JavaScript and React JS. Collaborating with a team, I contributed to the development of user-friendly features and optimized website performance.
